---

## SUMMARY

Full-stack web developer and graduate of Interactive Media Design at Fanshawe College (April 2025), experienced in building Laravel 8 and Vue.js applications. Developed CRUD systems, REST APIs, and responsive interfaces through academic and freelance projects, including a tournament management platform and an award-winning client project using Lumen API.

Known as a fast learner, collaborative team member, and highly motivated developer who enjoys solving problems and continuously improving both technical and business understanding. Eager to contribute to a product-focused team and grow within a collaborative environment.

---

## TECHNICAL SKILLS

**Languages & Frameworks:** PHP (Laravel 8, Lumen), JavaScript (Vue.js)

**Frontend:** HTML, CSS, SASS, Tailwind, responsive UI, component-based development

**Backend:** REST APIs, MVC architecture, CRUD operations, JSON

**Database:** MySQL, SQL (queries, joins, migrations, indexing)

**Tools:** Git, GitHub, VS Code, Postman, Axios, Ajax, Figma

---

## PROJECTS

### Tournament Management System - Laravel 8, Vue.js, MySQL

- Built full-stack CRUD platform for tournaments, teams, matches, and player registrations
- Developed REST API and connected frontend using Axios
- Implemented admin dashboard with approval workflows and dynamic edit forms
- Added loaders, notifications, and error handling for improved UX

### Brothers in Arms Memorial (FIP Project) - Lumen API, JS, SASS

- Project Manager & Backend Developer for client-based team project
  - Built Lumen API and CMS, integrated frontend and backend
  - Delivered responsive storytelling website selected by client for fundraising campaign
- 

## EXPERIENCE

### Project Manager & Web Developer (Co-Founder)

Five Alive Studio - London, ON | Jan 2025 - Present

- Co-founded web studio delivering websites, branding, and digital solutions
  - Lead client meetings, gather requirements, and manage project timelines
  - Collaborate with designers and developers to build responsive websites
  - Contribute to frontend and backend development and ensure on-time delivery
- 

## EDUCATION

### Interactive Media Design Diploma - Fanshawe College

Sept 2023 - Apr 2025

- GPA: 4.13 • Dean's Honour Roll Nominee • Client-selected winning team for final project
- 

## SOFT SKILLS

- Collaborative • Fast learner • Strong communication • Organized • Problem solver • Motivated
